

Waving Through a Window

Sung By: Rapunzel

I've learned to slam on the brake
Before I even turn the key
Before I make the mistake
Before I lead with the worst of me

Give them no reason to stare
No slipping up if you slip away
So I got nothing to share
No, I got nothing to say

Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've learned

On the inside, always looking out

Will I ever learn what the world is all about?

'Cause I'm tap, tap, tapping on the glass
I'm waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
I'm waving through a window, oh
Can anybody see, is anybody waving back at me?

We start with stars in our eyes
We start believing that we belong
But every sun doesn't rise
And no one tells you where you went wrong

Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've learned

On the inside, always looking out

Will I ever learn what the world is all about?

'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
Can anybody see, is anybody waving?

--- Optional Cut Point --- 2:27

When you're singing in a tower and there's nobody
around

Do you ever really crash, or even make a sound?

When you're singing in a tower and there's nobody
around

Do you ever really crash, or even make a sound?

When you're singing in a tower and there's nobody
around

Do you ever really crash, or even make a sound?

When you're singing in a tower and there's nobody
around

Do you ever really crash, or even make a sound?

Did I even make a sound?

Did I even make a sound?

It's like I never made a sound

Will I ever make a sound?

On the inside, always looking out

Will I ever learn what the world is all about?

'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
Can anybody see, is anybody waving back at me? (Oh)

Is anybody waving?

Waving, waving, whoa-oh, whoa
